## **Description**

Mitsubishi Heavy Industries in Mukden, Manchuria. Core spring making plant from which all machine tools and machines, except for a few old spring presses of obsolete type and some furnaces, were removed during Soviet occupancy. Overhead cranes were removed completely. Photograph taken during the U.S. Reparations Mission. Edwin Pauley was the U.S. Ambassador on the Allied Reparations Committee from 1945-47 (the committee that assessed the reparations the Axis powers could afford to pay the victors).
