## Description

An American map titled "Kenyon's Map of the Western Battle Front." The map shows the location of major battles and the movement of battle lines. Annotations, in blue and red pencil, indicate allied movement in the Meuse and Vosges regions of France, as well as several other areas. A note at the bottom right reads "Hadol" and is accompanied with a pencil line to that town. Smaller inset maps show the eastern battle front and the Italian battle front. An index on the back identifies the locations of towns in Belgium, England, France, Germany, the Netherlands, and Luxembourg.
