MARSHALL ISLANDS

THE WAR FRONTS
CENTRAL PACIFIC: Opening their operation with... of at least 10 beachheads, an amphibious force consisting of the Seventh Infantry Division and the Fourth Marine Division landed... on Jap-held and unheld installations on Kwajalein, Rai and Nansan... The Seventh Division opposed... against Rai and Nansan to the north. Five hot jets... and... on the Marshall since Japan quit... the League of Nations in 1913 and began... the group a bastion to shield its great Trek... landed nine miles north.

ITALY: After forcing the Germans from... in great strength because of enemy artillery fire... the front from dominating hill positions... of Cassino. So complete was the breakthrough... the American overran all German line defense... in that sector and had only the... of Italian... units between them and the... German prepared line... about nine miles farther on. Cassino was... and in only remaining highway to the north... these. The advance per Fifth Army... region within fifty miles of those fighting to... the Rome beachhead. British on the left... tied to the Rome to Naples rail line at... 15 miles from Rome, while American... at the site... and the... on the outskirts of Cassino. German... to... in. On the Adriatic front Eighth Army... accomplished a short advance and the Fifth Army... north of the Garigliano River also... ground.

USSR: Red Army troops that completely... Leningrad from siege pushed the Germans... into the sea as the first Russian... from the enemy. This offensive... and south has... German-held pocket whose exit is... 90 miles away. In the Ukraine, where the Germans have... taking in great strength to keep the... rail road free to serve their... in the neighborhood of Vienna.

AIR WAR: Berlin was raided by RAF heavy... on opening in great force three... of four nights. In what apparently was the... of these raids, Lancasters dropped 1680 tons of bombs in the... column is far, far to the east, on... had... and... however. But without much discipline... tracks so... closely bunched they're leg...

BURMA: American-trained Chinese troops were the... victory of their 14-week old... Chinshui Valley campaign when they... Tzai River... station at Tzai. Other Chinese... Japs from... over 20 miles farther east are... at Tzai. Operations continued on the... where the British are southeast of recently captured... Magway.

A Fifth Army... (left), moving... forward by pack made in the Yensu-shan sector. Present... path to the mountains and... in the valleys... make it necessary to move a great part of the... and heavy weapons by this means on the... front. Customarily one man leads the mule, while another... walk behind to guard when the animal balks. The soldiers... at the right are undergoing typical mule trail... trouble.

Description

An American map titled "Newsmap, Monday, February 7, 1944." The map of the Burma front shows railways, international boundaries, roads, and the points of Allied attack. The map of the Marshall Islands shows each island, including Kwajalein, and provides distances from the Islands to Pearl Harbor, Makin, Tarawa, Rabaul, Truk, and the Wake Islands. Printed text and photographs reveal news on multiple fronts. Printed text and drawings on the back detail various Japanese Army uniforms and equipment.
