

Somewhere on the Eastern Front, according to a caption received with this photo through neutral Portugal, these German infantrymen await the signal to "throw back attack-

ing Soviets." Current battle report Army with doing most of the three new gains below Leningrad and

Accession Number

M1749

Description

An American map titled "Newsmap, Monday, February 21, 1944." The map of the Eastern front shows railroads, rivers, boundaries, battle lines, and points of Soviet attack south of Leningrad, near Lake Peipus and Luga. The map of Italy shows rivers, roads, drainage canals, and points of Allied attack near Anzio, Aprilia, Cisterna, and Cassino. An inset of the Cassino area shows roads, rivers, relief, and other details. Printed text and photographs reveal news on multiple fronts. Printed text, drawings, and photographs on the back detail various Allied landing craft.
