**Description**

Four drawings of the proposed "Memorial Fountains" at the Harry S. Truman Library. The longitudinal section drawing, titled "Section C-C," shows dimensions, material to be used, and the locations of underwater lights, drains, brick pavers, etc. The overhead drawing, titled "Plan of Center Core," shows the locations of S.S. wire anchors. The other overhead drawing, titled "Plan of Outer Edge," shows dimensions and the locations of S.S. wire anchors, brick pavers, water level control boxes, and plaques. The drawing, titled "Plaque Details: Alternate," shows dimensions and refers to sheet number 500-1 [M71] for more information. Labeled sheet number 4, the drawings have several areas filled in with colored pencil while other areas have been erased during revision.
